Your Bar Crawl Route

Stop 1 — The Spotted Cat Music Club

 Order: Draft beer or classic rum & coke

No cover, live jazz every night. Cash bar — bring bills. Get there early.

Stop 2 — d.b.a.

 Order: Sazerac — invented in New Orleans, mandatory

Great whiskey selection, live music continues right next door.

Stop 3 — Bamboula's

 Order: Rum punch or house frozen daiquiri

Festive crowd, good for dancing. Frenchmen St staple.

Stop 4 — Pat O'Brien's

 Order: The Hurricane — original recipe, non-negotiable

Yes, it's touristy. Yes, you go anyway. The courtyard is gorgeous.

Stop 5 — Tropical Isle

 Order: Hand Grenade — strongest drink in NOLA

Bright green, unmistakable. The bride gets one. Everyone else gets warned.

Stop 6 — Cat's Meow

 Order: Whatever matches the song you're about to karaoke

Bachelorette karaoke is practically required. Bride goes first.

Stop 7 — The Dungeon

 Order: Anything dark and mysterious

Hidden bar, underground, dark, weird. For the bride who wants a story to tell.

Stop 8 — Three-Legged Dog

Order: Their signature cocktail of the night

Quirky neighborhood bar. Locals only energy. Befriend a regular for bonus points.

Stop 9 — Bourbon Cowboy

Order: Frozen hurricane to-go

Mechanical bull optional. Highly encouraged. The squad decides.

Stop 10 — Lafitte's Blacksmith Shop

Order: Rum punch by candlelight

Oldest bar in America. Candle-lit, no DJ — pure atmosphere. Perfect final stop.
